

ROUNDTABLE

ARE WE SURFING OR SINKING?

Riding the Waves of Information Management

What rogue waves await in the ocean of information management's future, and how do we tackle them?

12pm – 1.30pm AEST
20 March 2024
Microsoft Teams

Dive into the discussion for this year's Information Awareness Week (IAW) with ALIA, ASA, DAMA, HIMAA, NAA and RIMPA for an expert roundtable talk to uncover innovative insights and solutions to freely surf the tide of tomorrow!

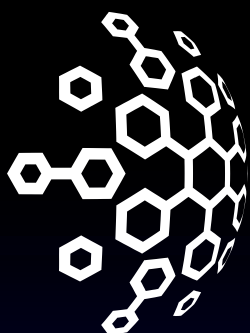

The Roundtable discussions will be prefaced with an expert panel discussion representatives from the six leading industry bodies ALIA, ASA, DAMA, HIMAA, NAA and RIMPA, will convene to delve into the obstacles and opportunities presented by emerging trends and technologies in the records world!

As part of Information Awareness Week, sustainability of information is more crucial than ever. Join this dynamic discussion covering a spectrum of crucial topics!

We'll unravel the intricacies of digital data management, the art of preserving records, dive into the world of AI integration, sustainability initiatives while fortifying cybersecurity and privacy measures.

Plus, we'll navigate evolving workforce dynamics, cutting-edge technology, and tackle ethical dilemmas in the digital realm.

Don't miss this opportunity to gain valuable insights and explore innovative strategies and solutions for navigating the waves of information management of the future!
